

## C4PT Positive Energy Music Series 2011 [www.c4pt.org](http://www.c4pt.org)

You are invited this summer to our 7th year of musical Friday nights at our poolside recreational area. Bring food/beverages to share in our pot-luck buffet, get your feet wet in the pool, and listen to our varied musical offerings. Folk, jazz, traditional, classical, world music, blues. This year we have a comedy evening! Come rest & enjoy as the birds sing-along with the talented artists at dusk. There are multiple offerings at each event. Open mic at intermission. There is no admission charge; however, we gratefully accept donations which are given entirely to the artists. We encourage supporting these talented people & suggest a donation of \$5 each that goes to the artists. C4PT funds the hosting of these events & relies on the donations for the artists. We enjoy the quality of artisans we attract and they enjoy performing here! We are accessible, have off-street parking, & child friendly. RAIN OR SHINE – we will use the indoor studio if rain.

C4PT Club Membership required and available, free at the door. Suggested donation \$5
